

# Math – Mr. Libberton

## 2009-2010, 3<sup>rd</sup> Trimester

**Help is available!** I'm here every school day at 7:45 am (except during faculty meetings). Or talk to me and we'll set up a time. Get help **before** your grade is in jeopardy!

### You need each day:

- Your textbook
- Your completed assignment
- Paper and pencil/pen
- Scientific Calculator
- Graph paper
- Red pen (for grading)
- Your agenda

You **don't** have to take the cumulative trimester test if you meet ALL of the following:

- 3 or fewer late assignments
- 3 or fewer tardies
- 4 or fewer rules violations
- 5 or fewer total tardies/late/rules
- Grade of C- or better

### Grades

**Effort:** On-task in class, homework completed and on time.

**Quizzes:** Short, daily quizzes over what we've covered in a chapter so far.

**Tests:** Chapter tests and a cumulative final.

Breakdown	Pre-Alg	Algebra	Geom	Adv Alg	Pre Calc
Effort	30%	25%	20%	15%	10%
Quizzes	10%	15%	20%	25%	30%
Tests	60%	60%	60%	60%	60%

- Unused trips from the room are worth 1% on final test
- Correcting mistakes on a test is worth up to 4% on that test (can be carried over)
- Minus 10% or more on late assignments; No work accepted after chapter test.

### Rules

- Only 5 trips from the room.  
(Save them for emergencies!)
- Be on time and prepared
- Don't be a distraction
- Be nice

### Consequences

- Seating assignment
- Phone call home
- Log entry to principal
- Meet with teacher during lunch
- Removed from class
